 Hilton Peters - Nursery Hunter Sills - PreK3

KATE MORRIS

Advisory Council Member, Ms. Kate Morris, spent several days at the Learning Center in June doing art with the children. Take a look at the cafeteria and see their work. Ms. Kate is also going to help us with another outside art project. If you are interested in helping, please call the Learning Center.

**St. Paul Early Learning Center Advisory Council
Officers for the 2019-2020 School Year**
Michael Kimbrell, President
Lonnie Graeber, Vice President
Natalie Moody, Secretary

The Advisory Council met on June 26th. The Council reviewed their Self Evaluation. They also reviewed the results of the Parent Survey and the Staff Survey. Two more classrooms were covered with wall protectors and painted. Finances looked good. Nursery renovations will be done in July. We currently have 112 children with the summer program children.

Summer Reminders:

- Please apply **sunscreen** and **bug spray** in the morning before your bring your child. We will reapply if you provide the spray.
- Check your child for **ticks** on a regular basis. We have sprayed the playground but we have found a few.
- Wear appropriate shoes for playing on the playground.

Don't forget to check out our Children's Library and our Parent Library.
