JUNE 2021 Newsletter

**Christ-centered. Quality care. Early education.
For the whole child.**

Catholic Identity:

During the month of June, the children will learn about God the Father.

COVID Update:

- The Diocese of Jackson Office of Education update the guidelines. Masks are no longer required for vaccinated individuals and will be strongly encouraged for those not vaccinated when on school property.
- We ask parents to continue to drop off and pick up children at the door of the classroom.

Advisory Council Update:

The Advisory Council met in person on May 26th. Jennifer gave an update on registration and enrollment for the 2021-22 school year, and updated COVID guidelines. The Council discussed the results of the parent survey. The Council was pleased with the survey and asked Jennifer to ask parents about their ideas to improve services and providing more resources to support children’s learning and development. We will be looking for two new Council members – one parishioner and one non-parishioner. We discussed ways to safely celebrate the end of the year. Michael Kimbrell gave the Finance Report. Save the Date postcards were sent out. We will begin recruiting players and securing sponsors. The glass wall has been installed. Our next meeting will be Wednesday, June 16, 2021.

Please close the front gate when entering and exiting the Learning Center. We want to keep all our children safe.
