Catholic Identity:

During the month of December, the Learning Center children will learn about Advent and Christmas. We will be practicing songs for the Christmas Program.

In Catechesis of the Good Shepherd, the children will learn about the angel's visit with Mary, Mary's visit with her cousin, Elizabeth, and the Christmas story.

The Scripture verse for the month is: **"Do not be afraid, Mary, you have found favor with God."** Luke 1:30.

New Curriculum

The St. Paul Early Learning Center administration and teachers have been exploring a new curriculum called Frog Street. We have visited other schools and hope to begin implementing this curriculum in 2023. Frog Street uses early brain development research, provides comprehensive, integrated, thematic activities in all domains, encourages teacher-child interactions to develop rich oral language and vocabulary, and materials and strategies to support healthy parent partnerships. The program also integrates Conscious Discipline and STEM learning. Most of all, the program embraces the joy of learning.
